WE'LL NEED A SHOWER AFTER THIS ONE 877-339-8788 MUST BE 18 TO CALL

I never thought about cheating on my wife but when a gorgeous Ukrainian maid and I are marooned in my house, what's once-good hubby supposed to do?

WHILE THE WIFE'S AWAY

A few months ago I decided to hire a maid to clean the house since my wife was going to be away for a while on family business. Her father owns a construction company and she needed to be there to coordinate the grand opening of their new building. Within a week of her leaving, I called a temp agency and asked them to send a few candidates over for me to interview.

Both seemed competent and I was actually quite surprised how attractive they were. One was about 35 and spoke broken English. I think she was Filipino, but only one got my attention. Her name was Katia, and she said she was Ukrainian. She said she had been in the USA for three years and has had two other maid and housekeeping jobs. One of them was a live-in. Katia was a young-looking thirty and wore a nice summer dress. Oh, and she had a great smile.

I took a couple days to decide and fluctuated between the two. I didn't want Katia's attractiveness to weigh too much in my decision as I had to think about explaining her to my wife. So I hired her and she started work on a Friday. She would only come a couple times a week, since it was only me in the house. She agreed to do some light cooking. One day I got really bold and asked her if I could pay her extra for a massage; explaining my office work is really stressful and my wife would do that for me when my body was really tight and stressed.

She thought about it for a moment and asked me how much for the massage. I told her I'd double her pay rate for the day, and that would be only for a one hour massage. She agreed and I got on the sofa and stripped down to my skivvies. I opened the side table drawer and pulled out some massage oil and asked

her to warm it up between her hands. She did and started at my shoulders. She noticed how tight they were and mentioned it. I agreed and told her a little about my day.

Within minutes a huge lightning-crack lit up the house, followed by a an even louder thunderclap and suddenly we were thrown into darkness. Katia gave a muffled scream and I stood up and went to the window. Rain was pouring down like Niagara, and between the drops I told her lights were out all over the neighborhood and that we should buckle down and ride out the storm and the darkness here. As the storm got worse, I suggested we feel our way to the kitchen and get a couple glasses of wine and wait this out. She giggled and agreed.

After successfully pouring the drinks and only spilling a little, we made our way back to the living room. I sat right in front of her, staring and telling her how pretty she was. She giggled again and by the time we polished off the bottle, the storm had subsided but passions were flaring. I suggested I massage her back and waited for her to say 'No' but instead I got "I don't mind it". So I did, I worked her back, her neck, and stopped. "May I take your blouse off?" I asked. Without answering me, she unbuttoned her top, shrugged it off, and proceeded to take off her bra.

Once again, I waited for her to stop, but just watched her head lean back. I started to kiss, and suck her nipples. I teased and continued to massage away. My eyes were focused on her, but noticed her left hand reach down to her panties and massage her pussy. I became so hard and uncomfortable in my pants that

I had to reach in and move it around.

With one hand on her boob, I had to let my cock out and began stroking it. I knew that I was all in, I was going to fuck her pussy. I stroked away, watching her play with that pussy. I reached over to her, and pulled her panties off. "You want this pussy, want to fuck it?" I watched her eyes drift down to my cock as I stroked it. Her eyes got bigger and wanted to jump on it. So she did, she climbed on me, and slid her tight pussy on it.

She was tight, but my cock fit just right. She started to hump me, riding my cock. With her shirt and bra off, I want her boobs, in my face. There were perky, not too big, but bouncy. My face was in them, playing with them, licking her nipples, and enjoying the feel of her soft sexy boobs. It didn't take long for her to start cumming. I could tell she was near, her nails dug in my back, and scratching it up as she leaned back. Her tight pussy hugged my cock as I felt her explode with wet juices all over us. Slowly, she got off me, dripping everywhere. She saw me looking at it and said, "Don't worry, I'll clean it up." As I sat up, she was down on the floor and sucking my cock.

"I want some of that precum, so I can lick your cock like a ice cream cone" she said. It didn't take long for that. Her skills were amazing, she controlled my cock like no other. Her slow approach was taking it all in, right to my balls, and very slowly slide out. Katia teased me so much with that way that I wanted to just let it all come out. She speeded up and I could feel my cum moving up to the tip. Then she slowly sucked it to coax my cum out. As I was feeling the last drops wanting to cum out, she slipped her tongue down

under to my balls and licked all around their mustiness. I stroked my cum onto her cheek.

She sat up on the edge of the sofa and spread her legs, rubbing her pussy and she motioned me to get down. "Oh, the taste of your cum, and you make me so wet." I went down on her pussy, eating her tight hole and slurping her sweet juices. Her moaning increased as my licking increased on her pussy. "Oh my, right there... my G spot... play with it." she insisted.

Before long she was cumming again, now she had my face down as her juices squirted into my mouth. Her pussy was so sweet, I could eat it all day. As she was slowing down, I couldn't wait, my cock went in, fucking her pussy. The words "Oh, my!" were repeated over and over. Usually my second cumming is short, and it was this time too; but... this time I shot on her breasts as she moved for me to do that. I stood and watched her massage my cum into her boobs. But all this was not enough for her, apparently.

As she began to suck my semi-rigid cock again, I pulled her over to the coffee table (knocking things off), and laid down on it. She hovered over me, but faced the other way as we fell into a slow sixty-nine. I love this position do to the mutual oral play, and she came soon after we started. Since the table was small, we couldn't move around much, but she climbed on me again and her pussy tightened, again. She managed to keep, riding it up and down. Watching her had me so hard that I really was going to unload soon.

As I moan with her moans, I could feel my cock swell-

ing even more and cumming. "I'm cumming." I whispered. Katia looked at me, "Baby please hold it, I'm ready to cum too." I held it, watching her fuck me harder, faster, moans getting louder. I felt my cum easing out, the pre-cum was over my shaft, her juices were easing down my cock as she rode it. I yelled, "Omg, I can't hold it."

Then Katia yelled out "Cum on, I want you to cum inside me". The feeling of letting it go, was something I never

felt before. I mean I had her ass grabbed tight as I pushed so hard to ram my exploding cock in her, I left imprints. Katia on the other hand had left some deep scratches on my chest and back. I came off that high, flipping her over on to her back, and went on fucking that pussy. This time I came quicker, and she kept me pumping, she wanted it keeping it going.

As I fucked her, I leaned back to take in her feet one last time, sucking her toes. I knew I was near the end, so did she, that we just went harder and faster. As we got close, I pulled out, sucked her pussy, and right back in went my cock. We finished with me holding off again because she wanted to cum first. She did, with a loud, long moan. Then I pounded my cum into her pussy, feeling it suck my cock in deeper and deeper. I looked down to see her oozing cum out of her pussy.

We got dressed and saw the storm had passed...two hours ago. She whispered she would not tell anyone. I said it's our secret. For the next few times she came to clean, we stayed cool. Unfortunately, or rather fortunately, we had a chance to do this a couple more times before my wife returned. And we have a clean house.

I WANT A LOT OF TIME OFF

I just started working for this couple a few months ago. I don't know why they hired me! I was a marketing major! A week after I accepted the gig, my boss called me into the kitchen and told me I should wear a 'uniform' and gave me a couple hundred dollars to go shopping for, what he called, a frilly Frenchy thing. WTF! But I went out and bought some low cut frilly black and white outfit. Now I strut around the house cleaning stuff and laying around playing with myself whenever they are away!

I love our new maid. Not only can she clean, but she cooks, too. And she looks amazing in her little maid's outfit, especially those fishnet stockings. I love it so much that I've paid extra for her to come over to my office and model it for me. Soon she's riding me like a cowgirl on her steed, and I'm pumping her pussy and ass like she's a summa CUM loudly student.

CAN I LEAVE MY
GLOVES ON?

The house owner was arriving home from an important business meeting soon. He was a little on edge and needed to unwind a bit. His maid was there, and, for some reason, today she was looking quite sexy. She told him that his wife asked her to tell him that she wouldn't be getting home till later that night. He saw this as the perfect opportunity to get exactly what he needed! Some nice hard stress relief!

Life in Miami can be very exciting most of the time. At other times, it's boring and repetitious. I had been going to the same restaurant in South Beach for several years. The food was okay, not great, but the people that came in were always a hoot. I would go at different hours because my job as a limo driver didn't have regular hours. One night I get there at about eleven in the evening when a great looking chick walks in, followed by some guy that seemed pretty upset.

They sat at the booth right behind me and occasionally I would get an earful of their conversation. It turns out they had just divorced and they were still bickering over custody of the powerboat. The courts had awarded her the boat, but he wasn't very happy. He wanted to keep it – after all he paid for it. I ordered dinner and they were just having drinks. Not a great idea, I thought, when you're having a spat with someone. That's how things escalate very quickly – and they did here, too.

The two got so loud that the manager had to come over and tell them to cool it or get out. They slowed down for a minute and I was able to finish my dinner in relative quiet. As I was waiting for my check they had one last big blow up.

The guy got out of the booth, came over to her side and pointing his finger at her decided that she should walk home because he was not going to take her back. She could keep the boat. He huffs out of the restaurant and I hear her quietly cursing him under her breath. I get up to pay the check, pausing at her table to ask if she's okay. That I was in the booth behind them and couldn't help but hear most of their conversation. She apologized for their loudness interrupting my dinner and the restaurant.

I introduced myself as Ethan and she said her name was Sandy. I gave a smile and asked how was she going to get home. She said she didn't know and slumped down in the booth. I asked if I could sit with her for a while until she composed herself and she said she didn't care. I took that to mean I could and put my ass in the seat across from her. I didn't say much after first sitting down, but did notice that she was a real cutie with long black hair, a sexy mouth, a beautiful mocha complexion, and huge boobs that looked like she tried to keep tied down. Her blouse was tight across them as they strained against the fabric. But I tried to keep my eyes up and not embarrass myself further. I tried little bits of strained conversation, cracking a joke here and there.

Slowly, I think I wore her down and she started looking up at me more and more and laughing once in a while. We sat for about twenty minutes when again, I offered her a ride home explaining that I had a 6 am call time for my client the next day. Reluctantly, she accepted and we went out to my town car. As she slid into the car seat, her skirt slid up revealing even more of her legs. As we rode, we talked and I found out that she was an ex-stripper, giving it up for a different lifestyle. I told her I was sorry I had never seen her dance. In fact, the thought of seeing her on a stage naked gave me a slight hard on. When we arrived at her house she felt secure enough to invite me in for a drink. As she opened the door, four yapping mutts attacked her and sniffed

me out. I tried to sit on the sofa as she poured two drinks. Mine was a soft drink and hers was half a glass of wine.

She had told me that she just started as a maid. We sat and talked after the dogs settled down. She confessed that she missed the freedom of stripping. It was hard for her to maintain a rigid schedule that her new job now demanded. She liked the big money she made at celebrity's houses. I told her that I'd never been to a strip club or had a lap dance. She laughed and said I was the first guy she met that hadn't seen a stripper. I listened and watched as she poured herself a second glass. She then excused herself and went into the bedroom, coming out about ten minutes later wearing a cute and skimpy maid's uniform with the blouse's front unbuttoned and her bra off. She said her boobs needed releasing. She said that they get sore being holstered all day and started rubbing them to feel better. Then she asked if I would like to see her dance. I would have been a fool to say no.

Sandy stood up and moved to the middle of the room and gyrated to the beat of the music that she had put on. She undid the two remaining buttons of her top and seductively dropped it on the floor. Twenty seconds later her frilly skirt landed right next to it leaving her in sexy laced black panties that she played with as she pranced around the floor. "I wish I had a pole to work with." she said. I started to get a erection again as she leaned into me and bounced her breasts near my face. She looked down and noticed the bulge in my pants, and noticed me noticing it.

"Don't be embarrassed," she cooed. "That's what's supposed to happen." I took a pillow and put it in my lap. She came over and yanked it off and backed off running her hands along her thin waist up to her boobs pushing them together. She glided over to the sofa again, and offered her boobs for me to touch. I reached up and she moved forward putting one of her nipples right into my mouth. While

I was gently sucking on it, she unbuttoned my shirt and pulled it off, running her hands over my chest. Sandy pulled back and started to remove her panties. She turned and pulled her panties all the way down. Her ass was firm and well rounded and she shook it to the music. Her moves were really sexy, but I noticed a few missteps that the alcohol had contributed to. When she turned, she pumped her hip my way as if offering me her pussy. I couldn't help but to notice how she kept her pussy hairs trimmed to a short landing strip.

By now my cock was harder than ever and she kept looking at the bulge in my pants. I reached my arms out and she came over to me. I put my hands on the cheeks of her ass and pulled her pussy to my face. She started to grind her hips as I let my tongue part her labia and slip inside her tasting her sweat and love juices. Sandy pulled back, unfastened my belt, and as she pulled my pants off, my stiff rod sprung up.

She reached down and took my cock in her hand, as she stroked it, a drop of pre-cum developed on the tip. She lowered her head with her tongue out and licked it off. She slowly took the head into her mouth, working more and more

of it in as she sucked. I watched as my dick disappeared into her mouth, then she lifted her head letting my cock almost all the way out only to suck it back in again. She backed off me and laid on the floor and pushed her boobs together.

I got up and lowered myself on her, resting my hard cock between her boobs. She grabbed it and pushed her boobs tight around it. I started fucking her boobs, letting my dick slide between them as I played with her hard nipples. I looked down at Sandy as she stuck her tongue out and licked the tip of my cock every time it slid up. She pulled her legs up so I could get to her pussy a lot easier. My tongue now found her love bud, I toyed with it letting my tongue flick over it then sucking it in between my lips. As I sucked at her pussy, I inserted a finger into her. I reached my other hand around and started to probe her asshole, this made her movements grow faster.

As I slid my finger deeper into her ass I could feel her muscles tighten up, soon I had my finger all the way in her ass. I couldn't believe how easy it slid into her, or that she didn't stop me. There we were on the floor. I was pumping my dick in her mouth, a finger and tongue in her pussy, and a finger up her ass. As I pumped her mouth her movements grew rapid under me and I knew her time was near when she wrapped her legs around my head. My cock was starting to throb now, I started to pump faster and faster and she sucked harder until I unloaded in her mouth. I slowly pulled my finger out of her ass, then out of her pussy.

We rolled on our sides, my now limp cock still in her mouth and my mouth still sucking her pussy. As my dick slipped out of her mouth she turned around, our lips met and we engaged in a long tongue teasing kiss. We laid on the floor and kissed as I played with her breasts again until her nipples were hard as rocks. Sandy reached down and toyed with my dick as I took one nipple in my mouth and

sucked it hard. As Sandy played with my cock it grew hard again, and when it was stiff she rolled me on my back. As I laid there with my pole straight up, Sandy straddled me, guiding my hard rod into her still wet pussy. It slid right in and she started to rock back and forth letting my cock slide in and out of her.

Suddenly, she stopped all her movements and rolled off me. She got on all fours and looked back at me with big, inviting eyes. Then, I positioned myself behind her and slid my cock into her pussy from the back, letting the tip rub her love bud a few times. As I pumped her. She took my balls in her hand and played with them. Then I pulled my cock out and lined the head up with her asshole, the moisture from her pussy was enough to let me slide into her easily. Sandy moaned as I drove my cock deep, and rock to meet my pumps. I pushed into her making my cock go even deeper. I had never been in an ass this deep before. She lowered herself onto her elbows pushing her butt up higher. I worked that ass until we both came and I fell on top of her on the floor.

It was now four in the morning and I forced myself to leave because I did not want to lose my job.
